Diploma in Information Technology, Government Polytechnic Dehradun 2018 - 2021

SKILLS

Programming Skills	Java, JavaScript.
Web Development	HTML, CSS, React.js, Tailwind CSS
Tools/Technologies	Git/GitHub, MongoDB.
Soft Skills	Organization, Stress Management, Teamwork.

EXPERIENCE

Internship Jul 2023 - Aug 2023
Cairo Vision Bengaluru, Karnataka

- Led a dynamic team to develop a high-quality website using HTML, CSS, and JavaScript, effectively addressing client requirements and expectations.
- Managed tasks and deadlines for team members, ensuring timely project completion and daily progress reporting.
- Delivered a fully functional website, demonstrating leadership and technical skills.

Training - Web Development June 2024 - July 2024
SLOG Solution PVT. LTD. Dehraudun, Uttarakhand

- Gained comprehensive knowledge in web development fundamentals, covering key areas such as HTML, CSS, JavaScript, and basic backend concepts.
- Gained expertise in Bootstrap for responsive design and implementation of pre-built components.
- Developed skills in making API calls and integrating external data into websites.

PROJECTS

Price Tracker. Developed with Next.js 14 and Bright Data's WebUnlocker, this tool tracks product prices, displays price ranges, alerts users to price drops, and notifies competitors of out-of-stock items. Managed with cron jobs for automated updates. ([Link](#))

Crypto X. Built with React, this app tracks real-time cryptocurrency prices and historical data. It features a responsive design and intuitive interface for easy monitoring and analysis.([Link](#))

Wallpapers. Developed with React, this site provides an interface for browsing and downloading high-quality wallpapers. Features include category filters and a streamlined design. ([Link](#))

HOBBIES

- Gym: Regular exercise and maintaining a healthy lifestyle, enhancing discipline and stress management.
 - Playing Games: Engaging in strategic and interactive games, improving problem-solving skills and teamwork.
-
